Thick surface back cover dimensions (inches)

13.74

1.50

5.08

Installation Steps
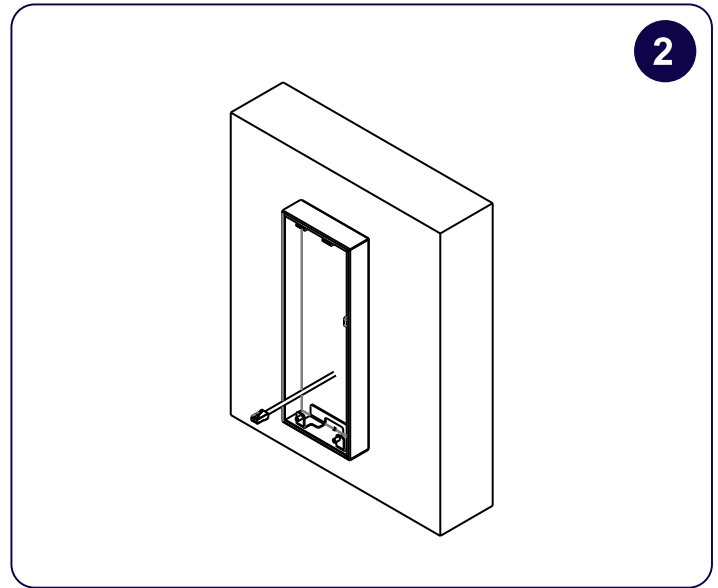

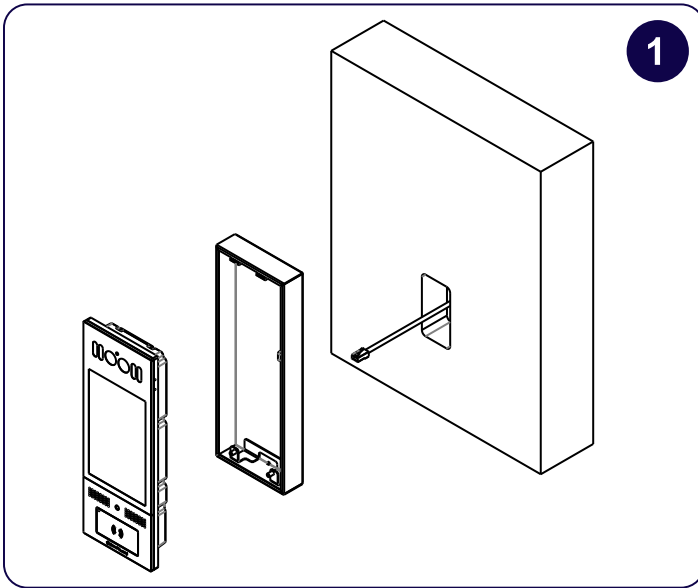

1. Exploded view of the components

2. Fix the thick surface back cover to the mounting surface (wall, metal, etc) with anchors, screws etc. Back cover does not have any holes for screws or cable(s) - holes and cut out must be made in the required locations per installation

3. Finish the installation as described in the Swiftreader X installation manual:
   https://www.swiftlane.com/swiftlane-installation-manual/
